ACCESS AND INSPECTION OF RECORDS AND PROPERTY.

(a) Each dealer, exhibitor, intermediate handler, or carrier, shall, during business hours, allow APHIS officials:

(1) To enter its place of business;

(2) To examine records required to be kept by the Act and the regulations in this part;

(3) To make copies of the records;

(4) To inspect and photograph the facilities, property and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations and the standards in this subchapter.

No responsible party was available to conduct an animal welfare inspection. Telephone contact was made with (b)(6), (b)(7)(c). He informed me that the site listed in Polk City is not a residence for him and is rented to someone else. He stated that he would fax in an itinerary to the region office and would inform USDA of the change of address where he could be reached.

End of report.
